church information

We are delighted you have joined us today.

We are excited to have you worship with us today! To help us connect with you, please fill out the Connect Card located in the seat pocket in the seat in front of you. Please bring your card to the Information Center and pick up your welcome gift.

If you would like to meet a staff member, have questions about the message, or would like to speak to someone about having a relationship with Jesus, please talk with an elder, staff member or contact our church office.

Assistance with Sunday School and Children's Church Check-In is located past the Library, at the Children's Information Desk.
